11. (**Container Packed by Merchant**) If Goods received by Carrier are in Container(s) into which contents have been packed by or on behalf of Merchant, Merchant warrants that the stowage and securing of the contents of Container(s) and their closing and sealing are safe and proper and also warrants that Container(s) and contents thereof are suitable for Carriage in accordance with the terms hereof including Clause 15. In the event of Merchant's breach of said warranties, Carrier shall not be responsible for any loss of or damage to or in connection with Goods and Merchant shall be liable for loss of or damage to any property, or for personal injury, death or the consequences of any other accidents or events whatsoever and shall defend, indemnify and hold Carrier harmless against all loss, damage, liability, cost or expense, including attorneys' fees, arising out of or in any way connected with said accidents or events. Merchant shall inspect Container(s) when the same are furnished by or on behalf of Carrier, and they shall be deemed to have been accepted by Merchant as being in sound and suitable condition for the purpose of Carriage contracted herein.
12. (**Inspection of Contents/Container Seals**) (1) Carrier shall be at liberty to open Container(s) and to inspect Goods and take any measures with respect thereto without notice to Merchant at such time and place as Carrier may deem necessary and all expenses incurred therefrom shall be borne by Merchant if such expenses relate to Container(s) packed by Merchant, or were incurred by a reason for which Merchant should be responsible. (2) If Container(s) are delivered by Carrier with seals intact, such delivery shall be deemed as full and complete performance of Carrier's obligation hereunder and Carrier shall not be liable for any loss of or damage to the contents of Container(s). (3) In case the seals of Container(s) are broken by or pursuant to the order of the customs or other authorities, Carrier shall not be liable for any loss, damage, expenses or any other consequences arising or resulting therefrom.
13. (**Special Container**) (1) Carrier undertakes to carry Goods in refrigerated, heated, insulated, ventilated or any other special Container(s) only by special arrangement in writing and only when special freight as required is paid. (2) Notwithstanding anything contained in this Bill of Lading, Carrier shall not be responsible for the function of any special Container(s) provided that Carrier exercises due diligence before or at the beginning of Carriage of special Container(s) to determine that special Container(s) is then in good working order. (3) Except as provided in (2) above, Carrier shall not be liable for any loss of or damage to Goods arising from latent defects, derangement, breakdown, or stoppage of the refrigerating machinery, plant, insulation and/or any apparatus of Container, Vessel, or other means of transport or conveyance and any other facilities. (4) In the case of refrigerated or special Containers packed by Merchant, Merchant shall properly prepare and pack Goods for such shipment and set the temperature, as required. (5) The maintenance of the temperature within a refrigerated or special Container is not guaranteed by Carrier and is solely at Merchant's risk, even if a particular temperature is stated on the face hereof and irrespective of whether Container is packed or the temperature is set by Carrier or Merchant. (6) Merchant shall have contents at the requested temperature setting prior to packing into a refrigerated Container whether same is to be packed by Merchant or Carrier.

14. (**Dangerous Goods, Contraband**) (1) Carrier undertakes to carry Goods of an explosive, inflammable, radioactive, corrosive, damaging, noxious, hazardous, poisonous, injurious or any other dangerous nature only upon Carrier's acceptance of a prior written application by Merchant for Carriage of such Goods. Such application must accurately state the nature, name, label and classification of Goods as well as the method of rendering them innocuous, with the full names, addresses and telephone numbers of Merchant. (2) Merchant shall undertake that the nature of Goods referred to in (1) above is distinctly and permanently marked and manifested on the outside of the package(s) and Container(s) and shall also undertake to submit the documents or certificates required by any applicable statutes or regulations at any stage of Carriage or by Carrier. (3) Whenever Goods are perceived or are discovered to pose a threat to Vessel, any other means of transport, cargoes, properties or persons, or not to comply with (1) or (2) above, or Goods are perceived or found to be contraband or prohibited by any laws or regulations of the port of loading, discharge or call or any place or waters during Carriage, Carrier shall be entitled to have such Goods rendered innocuous, thrown overboard or discharged and left to Merchant at any stage and place Carrier may choose or otherwise dispose of at Carrier's discretion without compensation, and Merchant shall be liable for and indemnify Carrier against all of loss, damage or liability including loss of freight, and any expenses directly or indirectly arising out of or resulting from such Goods, and shall post any necessary bonds or financial guarantees as may be required.
15. (**Stowage Under and On Deck**) Goods, whether in Container(s) or not, may be carried on deck or under deck without notice to Merchant and without any note, mark or stamp making any statement of "on-deck stowage" on the face hereof. All such Goods whether carried on deck or under deck, shall participate in general average. With respect to Goods carried on deck and stated on the face hereof to be so carried, all risk of loss of or damage to Goods shall be borne by Merchant, whether or not caused by Carrier's negligence or Vessel's unseaworthiness, and Carrier shall have the benefit of all the provisions of this Bill of Lading, except those inconsistent with the provisions of this Clause.
16. (**Live Animals and Plants**) Notwithstanding any other provision herein, Carrier shall not be responsible for any accident, disease, mortality, loss of or damage to live animals, including but not limited to birds, reptiles, fish and shellfish, and plants arising or resulting from any cause whatsoever including Carrier's negligence or Vessel's unseaworthiness and shall have the benefit of all the provisions of this Bill of Lading, except those inconsistent with the provisions of this Clause.
17. (**Valuable Goods**) Carrier shall not be liable to any extent for any loss of or damage to or in connection with platinum, gold, silver, jewelry, precious stones, precious metals, radioisotopes, precious chemicals, bullion, specie, currency, negotiable instruments, securities, writings, documents, pictures, works of art, curios, heirlooms, collections of every nature or any other valuable goods whatsoever including Goods having particular value only for Merchant, unless the true nature and value of Goods have been declared in writing by Merchant before receipt of Goods by Carrier, and the same is inserted in this Bill of Lading and ad valorem freight has been prepaid.
18. (**Heavy Lift**) (1) The weight of a single piece or package exceeding one metric ton gross must be declared by Merchant in writing before receipt by Carrier and must be marked clearly and durably on the outside of the piece or package in letters and figures with the proper lifting points. (2) In case of Merchant's failure in his obligations under (1) above, Carrier shall not be responsible for any loss of or damage to or in connection with Goods, and Merchant shall be liable for loss of or damage to any property or for personal injury or death arising as a result of Merchant's said failure and shall indemnify, defend and hold Carrier harmless against all loss or liability suffered or incurred by Carrier as a result of such failure.
19. (**Notification and Delivery**) (1) Any mention in this Bill of Lading of parties to be notified of the arrival of Goods is solely for information of Carrier, and failure to give such notification shall not involve Carrier in any liability nor relieve Merchant of any obligation hereunder. (2) Merchant shall take delivery of Goods within the time provided for in Tariff. (3) If Merchant fails to take delivery of Goods or part of them in accordance with this Bill of Lading, Carrier may without notice unstow Goods or that part thereof and/or store Goods or that part thereof ashore, afloat, in the open or under cover. Such storage shall constitute due delivery hereunder, and thereupon all liability whatsoever of Carrier in respect of Goods or that part thereof shall cease. (4) Merchant's attention is drawn to the stipulations concerning free storage time and demurrage contained in Tariff, which is incorporated in this Bill of Lading. (5) Carrier may in his absolute discretion receive Goods as Full Container Load and deliver them as Less than Container Load and/or as split delivery of Goods to more than one receiver. In such event Carrier shall not be liable for any shortage, loss, damage or discrepancies of

Goods, which are found upon unpacking of Container. Merchant shall be liable for an appropriate adjustment of the freight and shall pay any additional costs incurred. (6) Carrier may in his absolute discretion receive Goods as Less than Container Load and deliver them as Full Container Load. In such event Carrier shall not be liable for any shortage, loss, damage or discrepancies of Goods, which were not apparent at the time of such delivery, provided that it shall have exercised ordinary care in packing Container. (7) If, at the place of delivery, Carrier is required to discharge Goods into the custody of Customs, port or other authority, such discharge into custody shall be due delivery to Merchant under this Bill of Lading. (8) If Goods are unclaimed within a reasonable time but in any event no longer than 7 running days from the date Goods arrive at the port of discharge or place of delivery, or whenever in Carrier's opinion Goods will become deteriorated, decayed or worthless, Carrier may, at its discretion and subject to its lien and without any responsibility attaching to it, sell, abandon or otherwise dispose of such Goods solely at the risk and expense of Merchant.

20. (**Fire**) Carrier shall not be responsible for any loss of or damage to Goods arising or resulting from fire occurring at any time throughout Carriage, unless proven to have been caused by the actual fault or privity of Carrier.
21. (**Lien**) Carrier shall have a lien on Goods and any documents relating thereto, which shall survive delivery, for all freight, deadfreight, demurrage, damage, loss, charges, expenses and any other sums whatsoever payable by or chargeable to or for the account of Merchant or Goods under this Bill of Lading and any contract preliminary hereto, and for the costs and expenses including attorneys' fees, of recovering the same and may sell Goods privately or by public auction or otherwise exercise a lien on Goods without notice to Merchant. If on sale of Goods, the proceeds fail to cover the amount due and the costs and expenses incurred, Carrier shall be entitled to recover the deficit from Merchant.
22. (**Freight and Charges**) (1) Freight may be calculated on the basis of the particulars of Goods furnished by Merchant who shall be deemed to have guaranteed to Carrier the accuracy of the contents, weight, measure or value as furnished by him, at the time of receipt of Goods by Carrier, but Carrier may, at any time, open Container(s) and/or package(s) and examine contents, weight, measure or value of Goods at the risk and expense of Merchant. In case of incorrect declaration of the particulars of Goods as above, Merchant shall be liable for and bound to pay to Carrier (a) the balance of freight between the freight charged and that which would have been due had the correct details been given plus (b) as and by way of liquidated and ascertained damages, a sum equal to the correct freight. (2) Full freight and charges to the port of discharge or place of delivery named herein shall be considered as completely earned on receipt of Goods by Carrier, whether to be prepaid or to be collected at destination. Carrier shall be entitled to all freight and other charges due hereunder, and to receive and retain such freight and charges irrevocably under any circumstances whatsoever, whether Vessel or any other means of transport and/or Goods be lost or not, or Carriage be broken up or frustrated or abandoned at any stage of Carriage. Full freight shall be paid on damaged or unsound Goods. (3) The payment of freight and/or charges shall be made in full and in cash without any offset, counterclaim or deduction. Merchant's attention is drawn to the stipulations concerning currency in which the freight and charges are to be paid, rate of exchange, devaluation and other contingencies relative to freight and charges specified on the face of this Bill of Lading or in Tariff. (4) Merchant shall be liable for, and indemnify Carrier against, all dues, duties, taxes and charges including consular fees levied on Goods, and for all fines and/or loss sustained or incurred by Carrier in connection with Goods, howsoever caused, including Merchant's failure to comply with laws and regulations of any government or public authority in connection with Goods or failure to procure consular, board of health or other certificate to accompany Goods. Merchant shall be liable for return freight and charges on Goods refused exportation or importation by any government or public authority. If Carrier is of the opinion that Goods stand in need of sorting, inspecting, mending, repairing or reconditioning, or otherwise require protecting or caring for, Carrier may carry out such work at the cost and expense of Merchant. (5) Each Merchant shall be jointly and severally liable to Carrier for the payment of all freight and charges and for the performance of the obligations of each of them hereunder. (6) Payment of freight and charges to a freight forwarder, broker or anyone other than Carrier or its duly authorized agent shall not be deemed payment to Carrier and payment shall be made solely at the payor's risk.
23. (**Notice of Claim and Time for Suit against Carrier**) (1) Unless notice of loss or damage and the general nature of such loss or damage be given in writing to Carrier at the port of discharge or place of delivery before or at the time of delivery of Goods or, if the loss or damage be not apparent, within 3 days after delivery, Goods shall be deemed to have been delivered as described in this Bill of Lading. (2) In any event, Carrier shall be discharged from all liability in respect of non-delivery, misdelivery, delay, loss or damage

unless suit is brought within one year after delivery of Goods or the date when Goods should have been delivered. (3) Notwithstanding (2) above, with respect of any non-delivery, misdelivery, delay, loss or damage which may have occurred during other than Water Carriage, Merchant must file a claim with Carrier within 9 months after delivery of Goods or the date when Goods should have been delivered, failing which Carrier will be discharged of all liability therefor.

24. (**Limitation of Liability**) (1) All claims for which Carrier may be liable shall be adjusted and settled on the basis of Merchant's net invoice cost, plus freight and insurance premium, if paid. (2) Save as otherwise provided herein, Carrier shall in no circumstances be liable for direct or indirect or consequential loss or damage arising from Carriage of Goods hereunder. (3) Under no circumstances shall Carrier be liable for loss or damage in an amount exceeding the amount which can be assessed by Clause 3 or 4, as the case may be, unless the value of Goods higher than the amount so assessed has been declared in writing by Merchant before receipt of Goods by Carrier and inserted on the face hereof with nature thereof and extra freight has been paid as required. (4) Where Goods have been either packed into Container(s) by or on behalf of Merchant, it is expressly agreed that the number of such Container(s) shown on the face hereof shall be considered as the number of the package(s) or unit(s) for the purpose of the application of the limitation of liability provided for herein.
25. (**Limitation Statutes**) (1) Nothing in this Bill of Lading shall operate to limit or deprive Carrier of any statutory protection or exemption or limitation of liability authorised by any applicable laws, statutes or regulations of any country. (2) It is agreed by Merchant that Carrier qualifies and shall be regarded as a person entitled to limit liability under any applicable Convention on the Limitation of Liability for Maritime Claims notwithstanding that Carrier may have secured space on board the relevant Vessel by means of a slot charter, bill of lading, waybill or other form of contract of carriage. Subject to any law compulsorily applicable to Carriage to the contrary, and save to that extent, the fund to which Carrier may limit its liability in respect of all claims arising out of an incident shall be that part or proportion of the limitation fund applicable to the actual carrier that is available for Carrier's claims against the actual carrier.
26. (**Defenses and Limits For Carrier**) The defences and limits of liability provided for in this Bill of Lading shall apply in any action against Carrier for loss of or damage to the Goods whether the action be founded in contract or in tort or according to any other theory of legal liability
27. (**Regulations relating to Goods**) Merchant shall comply with all regulations or requirements of Customs, port and other authorities, and shall bear and pay all duties, taxes, fines, imposts, expenses or losses incurred or suffered by reason thereof or by reason of any illegal, incorrect or insufficient marking, numbering or addressing of Goods, and indemnify the Carrier in respect thereof.
28. (**General Average; New Jason Clause**) (1) General average shall be adjusted, stated and settled at Tokyo or any other place as elected by Carrier (or, as the case may be Connecting Carrier) according to York Antwerp Rules 1994 or any amendment thereto and as to matters not provided for by these Rules, according to the laws and usages of the place of adjustment, and in the currency selected by Carrier (or, as the case may be Connecting Carrier). The general average statement shall be prepared by the adjusters appointed by Carrier (or, as the case may be Connecting Carrier). Average agreement or bond and such cash deposit as Carrier (or, as the case may be Connecting Carrier) may deem sufficient to cover the estimated contribution of Goods and any salvage and special charges thereon and any other additional securities as Carrier (or, as the case may be Connecting Carrier) may require shall be furnished by Merchant to Carrier (or, as the case may be Connecting Carrier) before delivery of Goods. (2) Carrier shall be under no obligation to exercise any lien for general average contribution due to Merchant. (3) In the event of accident, danger, damage or disaster before or after commencement of the voyage, resulting from any cause whatsoever, whether due to negligence or not, for which, or for the consequence of which, Carrier is not responsible by statute, contract or otherwise, Goods and Merchant shall jointly and severally contribute with Carrier in general average to the payment of any sacrifices, loss or expenses of a general average nature that may be made or incurred, and shall pay salvage and special charges incurred in respect of Goods. If a salving ship is owned or operated by Carrier, salvage shall be paid for as fully and in the same manner as if such salving ship belonged to strangers.
29. (**Both To Blame Collision**) The Both-To-Blame Collision Clause published by the Baltic and International Maritime Council (BIMCO), a copy of which is available upon request, is hereby incorporated into this Bill of Lading.

30. (**Miscellaneous**) (1) The terms of this Bill of Lading are separable, and if any term or condition is, or is held to be invalid, null and void, or unenforceable, such holding shall not affect in any way the validity or enforceability of any other term or condition of this Bill of Lading. (2) No servant or agent of Carrier shall have power to waive or vary any terms of this Bill of Lading unless such waiver or variation is in writing and is specifically authorised or ratified in writing by Carrier. (3) The terms of this Bill of Lading shall govern the responsibility of Carrier in connection with or arising out of the supply of a Container to Merchant whether before or after Goods are received by Carrier for Carriage or delivered to Merchant.
